Normans Bury Saxons, 53-27, In Pioneer Tilt

The Beverly Hills Normans, top-flight contenders for the Pioneer League hoop championship, swept by the North High Saxons Friday in a Pioneer League contest. Score was 53-27 in favor of the Normans.

Shuken, White Tally Ten
Bill Shuken and Jim White tallied ten points each for the winners' cause, while Larry Fox, Arnold Walker, and Robert Blair marked up six apiece for other individual honors. Beverly had twelve scorers.

Snell Collects 13
Roger Snell potted 13 counters for high point honors. The 6-5 North center bucketted five field goals and three free throws in leading both teams in individual point production. Local scorers included Steve Beckett, eight; and Ron Anderson, six.

Normans, Saxons—Rivals
The fact that all through history the Normans and the Saxons have been traditional rivals contributed little to the score. Bill Wood's forces played well, but were just pitted against a superior foe. Inexperience and the lack of their own gym to practice in were listed by the North cage coach as the reasons his charges have not been able to penetrate the win column very often this season.

EXCESSIVE OIL USE

Excessive oil consumption results in other and possibly higher costs than those involved in the outlay for additional oil, warns the National Automobile club. Although the average owner is inclined to overlook the fact, excessive oil loss means underlubrication of high speed, hard working parts of the engine, which cannot fail to produce excessive wear. Correction of the original difficulty by finding the cause of oil waste and effecting the needed remedy, is wise spending.
